

CABLE CLIMPER

HIGH WORK EFFICIENCY

Reduces work Difficulty, it can work 10 hrs. continuously.

HIGH SECURITY

Can Insulate 10,000 volts of high voltage power for personnel safety

SIMPLE ORIENTATION

Convenient remote control switch, reduces the use of labor.

REMOTE

EASY TO CARRY

INSULATED RODS

GALVANIZED IRON WIRE

Award Winning Unique
High Utility Product

Backed by Top Quality Support Services
3 Months Standard Warranty

OUR BRANCHES :

Delhi, Mumbai, Kolkata, Bangalore, Hyderabad, Ludhiana, Guwahati, Bhopal

*Optional Item at Extra Cost of Service & Hardware.

SPECIFICATIONS

Battery capacity	6600mAH/pack, one battery can work more than 500 times, about 2km or more
Attaching rod	Insulated 10kv, the material is made of insulated FRP, epoxy tube, 1.2 m/rod, (4)
Plate wire length	110m/roll, each operation with 700-750mm, hanging cable about 2km
Remote control	Remote control distance up to 20 meters, partition wall can be used
Rated voltage	12.8v
Binding range	8-58mm
Tying time	0.8s each time
Iron wire diameter	0.85mm
Charging time	1.5h

STANDARD PACKAGE

- ⚙ INTELLIGENT CABLE ATTACHING
- ⚙ MACHINE + 4*1.2M INSULATED RODS
- ⚙ 2 REMOTE CONTROLS
- ⚙ 2 ROLLS GALVANIZED IRON WIRE
- ⚙ 1 SET OF BATTERY PACKS
- ⚙ 1 CHARGER
- ⚙ 1 WIRE CLAMP
- ⚙ 1 WRENCH
- ⚙ 1 MANUAL
